

A FREE Gift For You To Start Off The New Year!!!

In celebration of 2010, I'm giving you a CHANCE at a lot of money

Sometimes taking a chance with money is FUN.

In business, taking a chance with money isn't fun at all especially in this economy.

That is why we at *[your company name]* don't take chances with our customers' money!

When you hire us, you can GUARANTEE:

- Less headaches - knowing the risk of injury to your customer is diminished by having a clean walk-ways.
- Pride of ownership – seeing your property consistently cleaner than other stores.
- More money in your pocket – higher value for your \$\$\$.

On the downside, you will be hated by fellow store owners not using our service. They will wonder how you can afford to keep your place so clean all the time. If they only knew how affordable we were...

So, if you're ready to stop taking **chances** with other companies fill out the form and fax it back to us, to say ...MAYBE.

Let us come out and prove ourselves with no commitment from you, yet. **We will clean your dumpster area for FREE, just for saying MAYBE.**

Don't Put It Off

This offer is only valid until January 18th, 2010.

MAYBE I'll hire you, but I definitely want to take advantage of this FREE demonstration!
